*Melbourne is the Victoria's most populous city, which is located on the banks of the Yarra river, near the entrance of port Phillip bay. It grades highly in education, tourism, research and development, entertainment, sport, and health care making it the world's lovable city.*

*Marvellous Melbourne is a truly progressive city that is modern yet rich in history and culture. It is an international cultural center, with endeavors across major drama, musicals, art, literature, music, architecture, events and festivals, film, comedy, and television. It is a multifaceted melting pot of cultures, food, music, art and people. The Southbank in the south of the city center, lies the Crown Casino Plaza which is a popular social hangout with many bars and restaurants. It is renowned for its markets, which sell everything from crafts and arts to local produces.*

*Melbourne's lifestyle, the climate inspires so much passion in those who live here. The conference that is going to be held here would promote a platform for new advancements in the cancer therapies.*
