

FOR IMMEDIATE RELEASE: (January 5th, 2011)

CONCRETE RESTORATION INC. ANNOUNCES THE LAUNCH OF THEIR NEW EPOXY FLOOR COVERING WEB SITE

Macungie, PA. January 5, 2011 – **Concrete Restoration Inc.**, has announced the launch of its Website www.concrete-restoration-inc.com with a dynamic new look. The new site contains a comprehensive compilation of information regarding epoxy flooring systems.

Returning customers and new visitors will find; industry and product specific epoxy floor systems information, view images of recently completed epoxy flooring jobs, and can easily request a quote from one of our highly trained associates.

“We developed our site to offer our current and potential customers a vehicle to educate themselves regarding the design and installation of an epoxy flooring system for their business.” “We believe it is the most comprehensive site in the industry today,” reports sales and marketing manager Mike DeCaprio.
