Are you trying to grow your restaurant's loyal following on a shoestring budget? Have you wondered how to create an app? Thought that hiring an agency might be too expensive, and building your own app too hard?

FANTastic4Restaurants makes it easy to market restaurants by making a free mobile app, with our zero-coding drag-and-drop platform. Simply visit [www.FANTastic4Restaurants.com](http://www.FANTastic4Restaurants.com) and you could be up and running with your own free Android, HTML5 and iPhone app within 30 minutes.

## Real World Examples...

Nestled in the Hamilton Park neighborhood, just outside New York City; the Hamilton Inn was looking for a way to connect with their most loyal fans even when they left the bar.

With the latest specials, one-click reservations and social photos – it's keeping the restaurant full, with their fans coming again and again.

Try a Live preview of the app at:
