

FOR IMMEDIATE RELEASE

## **Perfect Practice to Attend NARCA 2015 Conference**

*Industry leader in Case Management to demonstrate software at National Association of Retail Collection Attorneys trade show*

**ORLANDO, FL – August 31, 2015** – Perfect Practice®, an industry leader in debt collection software will showcase its products at the National Association of Retail Collection Attorneys (NARCA) Conference at the Marriott Marquis in Washington, DC, October 14-17, 2015.

One of the most comprehensive software automation solutions available for law firms, the company's flagship product continues to lead its peers in usability, flexibility, and accessibility. Its latest upgrade – Perfect Practice Mobile – delivers necessary case management information to lawyers on the go in an interactive format.

“Our clients need convenient access to scheduling, cases and time tracking wherever they are,” said Perfect Practice Chairman Monty Helin. “The ability to retrieve documents, calendar events, and other pertinent information immediately is something everyone wants, and we have it in Perfect Practice Mobile. For firms handling debt collection, Perfect Practice desktop and mobile software enables attorneys to handle cases more efficiently whether in or out of the office.”

Company representatives Christy O’Berry and Rich Prieto will be on hand to demonstrate Perfect Practice Mobile to attendees at booth #39 on the show floor.

### **About Perfect Practice**

Perfect Practice® offers a variety of database management services tailored to the needs of professionals in a wide variety of industries, markets and segments, including banking, legal, education, government, non-profit, engineering and medical.

For over 30 years, Perfect Practice® has delivered quality software, training and support services. Total Access, an integrated practice management solution, enables organizations to reap the benefits of using one solution to streamline operations.

Always at the forefront of technology, thousands have trusted Perfect Practice to keep their firms running at peak efficiency.
